

COVID-19 Screening for Employees & Essential Visitors

Employees must use these questions to self-screen prior to working and when screening essential visitors.

If you answer YES to any of these questions, DO NOT ENTER:

- A. Fever/feverish, new or existing cough and difficulty breathing
OR**
- B. Travel outside of Canada within the last 14 days
OR**
- C. Close contact with a confirmed or probable case of COVID-19 case
OR**
- D. Close contact with a person with acute respiratory illness who has been outside Canada in the last 14 days.**

Definition of “close contact” is a person who provided care for the patient, including healthcare workers, family members or other caregivers, or who had other similar close physical contact OR who lived with or otherwise had close prolonged contact with a probable or confirmed case while the case was ill.

Employees-if you answered YES to any of the above questions DO NOT ENTER:

- Follow the LCDS procedures for calling in sick.
- Return home and contact the Lambton Public Health or Telehealth Ontario for further directions.
- Provide update to your immediate supervisor and Human Resources regarding the direction provided.
