

Dear community partners:

The Ontario provincial election is scheduled for June 2, 2022. We want to make sure all voters are aware of the many voting options, tools and services available, including voting by mail, advance voting and the use of assistive devices at the polls. Voters can choose the voting method that works best for them.

We are asking for your help in sharing essential information about accessible voting with those who use your services or are a part of your network.

Included with this letter are digital materials that can be shared or printed:

- Accessible Voting handout
- Voting in Ontario brochure

You can also order hard copies of these materials from our [website](#). In addition to these materials, you can find more information about Elections Ontario and the tools and services we provide to make voting easy at [elections.on.ca](https://elections.on.ca).

If you have any questions or require assistance, please contact the Elections Ontario outreach team by phone at 1.888.246.3335, TTY/ATS at 1.888.292.2312 or email at [outreach@elections.on.ca](mailto:outreach@elections.on.ca).

Thank you for your ongoing support as we continue to make voting easy for Ontarians.

Sincerely,

Greg Essensa  
Chief Electoral Officer of Ontario
