

Memorandum

To: All Employees & Stakeholders
Date: August 12, 2022
From: Nick Salaris, Executive Director
Subject: CARF Accreditation Survey Update

Hello everyone,

I hope all is safe and well with you and your families.

As you may be aware, this week from August 10 to August 12, the agency virtually welcomed three CARF surveyors complete our accreditation survey. We are hopeful for another successful three-year survey result.

The survey team spoke often and mindfully on the passion and professionalism exhibited by our employees. They were thankful for the openness and hospitality received from the people we support, family members and stakeholders that were engaged in the process.

I would also like to extend my sincere gratitude to all our employees, people we support and stakeholders for their valued participation in the process.

I would like to thank Lori Richardson for all her work and flexibility in coordinating the entire process with CARF. The CARF Core team is also to be commended for a job well done (Greg With, Jill Johnston, Krista McCann, Elizabeth Forman, Tracie Bennett, and Lori Richardson).

The CARF survey team will submit their report to CARF International for the final status approval. We should receive the final report and our approved accreditation status in 4-6 weeks. We will share the details as soon as they are received.

Be well and safe!

Sincerely,

Nick Salaris
Executive Director
